Calvert Library Board of Trustees President Carolyn McHugh said, “Calvert Library is pleased to offer yet another service that assists the people of Calvert County. Becoming a passport acceptance facility lets Calvert Library provide more convenient hours for our citizens to prepare for their travel experiences. Plus we add a new revenue stream for the library.”

Calvert Library Executive Director Carrie Willson adds, “We know people visit the library for their international travel planning already...whether for language resources, travel guides or to stock up on reading for the flight. It makes sense to add passport services, especially since we can offer hours outside those offered by the post office.”

Passport forms, passport fees, information on how to apply and more can be found on the Department of State’s official website for passport and travel information, travel.state.gov and bit.ly/calvertpassports.
